

MONTANA FISH AND WILDLIFE COMMISSION AGENDA ITEM COVER SHEET

THE **OUTSIDE** IS IN US ALL.

Meeting Date: August 15, 2019

Agenda Item: Selection of Organizations to Auction 2020 Moose, Sheep, Goat, Mule Deer and Elk Licenses.

Action Needed: Approval of Final Action

Time Needed on Agenda for this Presentation: 15 Minutes

Background:

ARM 12.3.131 & 12.3.132 establish the criteria and process for selecting conservation organizations to conduct the moose, sheep, goat, mule deer and elk license auctions/lotteries. The Department solicited proposals to conduct the auctions/lotteries. The Commission decides which organization is awarded the license(s) for distribution through auction or lottery.

The 2019 species auction licenses were awarded to: Rocky Mountain Elk Foundation (RMEF) – elk, Mule Deer Foundation (MDF) – mule deer, Wild Sheep Foundation (WSF) – bighorn sheep, Safari Club International Great Falls (SCI-Great Falls) – goat, Montana Ducks Unlimited (MTDU) - moose. All licenses were auctioned at fund raising events.

Public Involvement Process & Results:

A letter of solicitation was sent to cooperators that have expressed interest. Responding proposals for 2020 licenses came from the following: Wild Sheep Foundation for the sheep, Mule Deer Foundation for the mule deer; Safari Club International Great Falls for the goat license; Montana Ducks Unlimited for the moose license; Grand Slam Club/ Ovis any license; Safari Club International Southwest Montana Chapter for the moose license; Montana Wild Sheep Foundation and Rocky Mountain Goat Alliance for the goat license and Montana Rocky Mountain Elk Foundation for the elk license.

Alternatives and Analysis:

This format has been successful, and the Department has not utilized another alternative. Interest in obtaining and aggressively auctioning these licenses has remained high with these responding conservation organizations at least. Further, many of these conservation organizations have effectively and significantly partnered with FWP on other conservation and management efforts.

The Department typically does not make a specific recommendation to the Commission in terms of which organization should be awarded which license and has been asked by the Commission to merely pass along the proposals submitted. Most of the organizations will have a representative at the Commission meeting to answer any specific questions.

Proposed Motion:

I move the Commission approve (organization name) to be awarded the 2020 (species name) auction license.
